Self care and lifestyle balance inventory

Source: Headington Institute

Please note that this scale is not a clinical diagnostic instrument and is provided for educational purposes. It merely examines some of the more effective physical, psychological and spiritual methods of staying balanced and preventing burnout. If you have any concerns about your state of emotional health, you should consult with a mental health professional.

Instructions: In the last month, how often has the following been true for you? For each question, write the number that best fits your experience on the line before the question.

- I have at least one full day off work each week.
 (0) Never / (1) Seldom / (2) Sometimes / (3) Often / (4) Always
